Ref: JHPS/CIR/PAR/23/2024-25

DATE: 23.07.2024

Dear Parent,

Sub: Conduct of Performance Enhancement Classes

We have observed that some students need to improve their academic performance at extended hours they are not able to grasp the subject due to some reasons during the regular classes and cope up effectively with the set academic standards.

We have therefore made efforts to identify such students and decided to give that additional attention individually through **Performance Enhancement Classes** during the extended hours by providing them with additional coaching and exposing them to various resources to enable them to comprehend the subjects, reinforce the topics and enhance their performance.

These classes are planned in the interest of these selected students at the school during extended hours and are on **optional basis** and the parents are requested to **avail this facility at the school or make alternative arrangements at a place convenient to you to provide additional attention/coaching.**

The Performance Enhancement classes are scheduled as follows:
