A Hero's Welcome

Siddharth Nagarajan, an illustrious former student who has made waves in the southern music industry as an outstanding percussionist and a talented Music Director recently visited his alma mater Jubilee Hills Public School, Hyderabad on the 19th March 2025 and was accorded a hero's welcome by the management and staff of the school. He belongs to the 2012-13 batch of JHPS Hyderabad.

He met the School Director Ms. M. Varalakshmi and the Principal Ms. P. Kanchana Valli and re-lived some of his remarkable moments in school. He shared nostalgic anecdotes of his experiences as a student in the school and expressed eloquently about the support extended by the school management and staff in his journey as a musician. His humility and simplicity speak volumes about the upbringing that he has had thanks to the efforts of his parents and mentors.

He visited the newly established Vishwam Edutainment block and was mesmerized by the infrastructural enhancements in the school. He expressed his absolute delight at the state of the art facilities being provided by the school. He also met some of the senior teachers who had taught him and shared beautiful reminiscences of his memorable stint in the school.

He also met and interacted with the President of Jubilee Hills Education Society Shri. A. Murali Mukund and other committee members.

It was a proud moment indeed for the school to host a former student who had brought accolades to his parents, his teachers and the school with his immense talent and the courage and passion to follow his dream.

Virtual Parent Orientation

Jubilee Hills Public School organized virtual Orientation programme for the parents of classes Nursery, LKG and UKG to familiarize them with the school rules and academic processes on 28th March, 2025.

The Director, Ms. M. Varalakshmi, Principal, Ms. P. Kanchana Valli and Pre-Primary Coordinator Ms. Priyanka Gandham graced the occasion.

The Director, Ms. M. Varalakshmi, welcomed the gathering and apprised the parents about the school, infrastructure, educational software, facilities, magazines and school events.

The Principal, Ms. P. Kanchana Valli presented the 'Overview of the Academic Processes'. She emphasized on the overall development of the students and gave an insight into teaching methodology, pattern of assessment and school rules through a brief presentation. She also encouraged parents in her speech to set a routine for their children in order to inculcate discipline in them. The programme continued with an open session where the concerns of parents were addressed by the Director, Principal and Pre-Primary Coordinator. The programme proved to be a sincere effort made by the school in educating the parents to look after and guide to reinforce the learning process of their children.

School Alumnus Secures Patent for Life-Saving Innovation

Jubilee Hills Public School, Hyderabad takes immense pride in celebrating the remarkable achievement of Divyateja Pasupuleti, an alumnus from the batch of 2019, who has been granted a patent for his innovative project, "Waviour"—a device designed to prevent drowning incidents in the ocean with minimal manual intervention.

During his school years, Divyateja was an active participant in the Atal Tinkering Lab, where his project evolved from a school-level Science Exhibition model to a nationally recognized innovation. "Waviour" was showcased at the CBSE Science Exhibition, later earning accolades at the National CBSE Science Exhibition and the NIRD Rural Innovators' Startup Conclave 2019. Encouraged by his mentors, he pursued a patent with guidance from the National Research Development Corporation (NRDC), and after five years of dedication, his vision has been officially recognized. Expressing gratitude, Divyateja credited the school and its faculty for fostering his passion for innovation. He extended a heartfelt thanks to his teachers, acknowledging their support and encouragement in shaping his journey.

President, Sri A. Murali Mukund, Director, Smt. M. Varalakshmi and Principal, Smt. P. Kanchana Valli, commends Divyateja Pasupuleti on this prestigious achievement and hopes his success serves as an inspiration for students to think beyond the classroom, nurture creativity and push the boundaries of innovation.

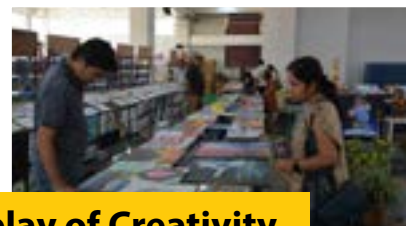

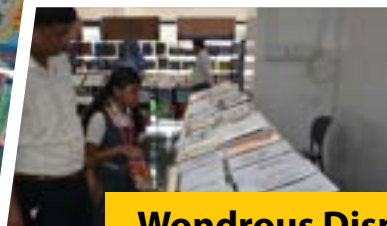

ART & BOOK EXHIBITION

Frames of heritage and creativity

Stories unfolded through the lens as Jubilee Hills Public School hosted the 'Film It India' project and the 'Intach Film It India Film Festival', bringing Hyderabad schools together in a celebration of culture, creativity, and storytelling.

An initiative by Intach's Heritage Education and Communication Service (HECS), 'Film It' nurtures cultural awareness, empathy, and responsibility among young minds. Through the art of filmmaking, students explore themes ranging from nature and hobbies to her-

itage and values, weaving narratives that reflect their perspectives. The annual Film It Festival showcases the best of these student-made films.

The event opened with a welcome dance, setting the stage for an exchange of experiences among participating students. Award-winning short films and documentaries captivated the audience, offering glimpses into diverse stories and causes. Gracing the occasion as chief guest was Arvind Achanta, cinematographer and research
