DATE: 12.06.2025

Dear Parent,

Vishwam Edutainment block houses a spacious library with **a plethora of books** belonging to all genres. The **magnificent ambience** creates an aura of knowledge and motivates the children to improve their reading habits. The library boasts of **an extensive collection of resources**, both **physical and digital**, fostering a culture of reading and research. Students not only have an access to physical books but also to an extensive digital library with a lot of resources pertaining to their subjects and also other general subjects.

This extensive library facility will be useful for students after the school hours i.e from 2.30 p.m to 4.00 p.m as they can learn at their own pace. Students will be screened by the Principal for staying afterschool hours in the library only if they are found to be interested in using the library resources and not for using the library as a waiting lounge for evening pick up.

This facility will be helpful especially for higher classes (Classes 9 to 12) to excel in their Board Exams.
