Dear Parent,

Sub: Two levels of Mathematics for Class –IX.

CBSE has introduced the option for the students to choose between the two levels of Mathematics i.e. Standard (Higher level) and Basic (Lower level) as per CBSE Registration.

The students based on their proficiency in Mathematics subject can opt for their suitable level i.e. Standard or Basic as per the following criteria:

Standard level: This is the existing level of syllabus and examination. This level will be meant for students who **wish to opt for Mathematics at Senior Secondary Level.**

Basic level: There will be **no change in syllabus**, classroom teaching and internal assessments for this level but the **final examination paper would be of an easier level.** The Basic level would be for students who are **not keen to pursue Mathematics at higher levels. (Refer circular: CBSE/Coord/Maths-041-241/2025 dated:27-05-2025)**

Compartment Exam: Students from both Standard and Basic Level, can however opt for Basic level Compartmental Exam.
