Cfore SCHOOL EXCELLENCE AWARD

Jubilee Hills Public School, Hyderabad has been honoured with the prestigious Cfore School Excellence Award 2025, recognizing it as one of India's Best Day Co-Ed Schools offering an Indian Curriculum. This accolade was presented during a ceremony held in New Delhi on September 10, 2025.

The Cfore School Excellence Award, powered by Brainfeed, is a testament to the hard work, dedication, and vision of the school's administration. Jubilee Hills Public School, Hyderabad has consistently maintained high standards in education, ensuring that students receive a comprehensive and enriching learning experience.

Heap of Honour

ELDROK AWARD

Jubilee Hills Public School Shines at India K-12 Awards 2025

A Multitude of Achievements

Jubilee Hills Public School, Hyderabad is delighted to share that it has been honoured with the prestigious Eldrok India K-12 Award, held at Hyderabad, on 30th October 2025. This Summit is a premier gathering that brings together top Edu leaders, industry experts and education influencers from across the country to recognize outstanding achievements in the K-12 sector.

Ms.M.Varalakshmi, Director, received the award for excellence in “Bringing & Promoting Academic Excellence in Students” from Ms.Dharini, CEO & Founder, Furtados School of Music while Ms.P.Kanchana Valli, Principal, was awarded for “Bringing Needed Reforms in K-12 Education”, from Mr.Duraisamy Kandaswamy, Managing Director, Neo Touch India Private Limited.

This award is a testament to the school's dedication to academic excellence, innovation in teaching and its commitment to holistic student development. The school has consistently worked towards creating a positive environment that empowers students and encourages them to reach their highest potential.

Jubilee Hills Public School, Hyderabad is thrilled to receive this recognition and remains dedicated to its mission of shaping future-ready individuals who will contribute positively to society.

THE BEST SPORTS IMPLEMENTATION SCHOOL AWARD

Accolades Galore

Jubilee Hills Public School, Hyderabad, added another feather to its cap as its Director, Ms. M.Varalakshmi, received “The Best Sports Implementation School Award”, presented by Brainfeed and Splink Pro. The prestigious award recognizes the school's outstanding leadership in seamlessly integrating sports, wellness and AI innovation into education. This honour

celebrates school's unwavering commitment to nurturing young learners who not only achieve academic excellence but also embody the values of teamwork, discipline, and leadership through sports and wellness initiatives that lead to holistic development. This achievement also highlights the school's commitment in fostering overall development, where students

are inspired to learn, play, and lead with purpose.

The recognition stands as a testament to the school's visionary approach and dedication to nurturing well-rounded, future-ready learners.

The management congratulated the staff for their tireless efforts in promoting sports and physical education.

Innovate – 2025

Jubilee Hills Public School, Hyderabad, hosted InnovAte 2025, a unique interdisciplinary conference designed to inspire innovation, creativity, and collaboration among students. The event brought together young minds from diverse fields, encouraging them to think critically, communicate effectively, and solve real-world problems through teamwork and dialogue. The conference featured four

dynamic committees for careers —Law, Business, STEM, and Literature & Arts—each offering students a distinctive platform to explore their interests and present fresh perspectives. Participants engaged in debates, brainstorming sessions, and presentations, exchanging ideas that bridged disciplines and sparked new ways of thinking. Everything is planned, penned and executed by students themselves.

More than a competition, InnovAte 2025 served as a learning festival where students discovered the power of collaboration and creativity. The atmosphere was charged with enthusiasm as budding entrepreneurs, scientists, writers, and journalists came

together to redefine innovation through their collective efforts.

The event concluded with an appreciation of the students' outstanding participation and innovative spirit. The organising team extended heartfelt thanks to the school management for their unwavering support in providing the venue and encouragement for hosting this transformative initiative.

Jubilee Hills Public School, Hyderabad observed Swachhata Hi Sewa 2025 with great zeal and responsibility, in line with this year's national theme, 'Swachhotsav', which translates to celebrating cleanliness like a festival engaging students, teachers, and staff in a series of cleanliness and hygiene-oriented initiatives. The fortnight-long drive, held under the Swachh Bharat Mission, aimed at nurturing awareness and responsibility towards personal, environmental, and community hygiene.

'Prabhat Pheri', was organised as part of this campaign featuring students, teachers carrying slogans and banners to create awareness in the community. Students from all grades took part in creative

competitions such as poster-making, slogan-writing, and essay writing that further enhanced awareness of Waste Management and Elimination of Single Use plastic.

Speaking on the occasion, Director, Ms.M.Varalakshmi reiterated that Swachhata is not the duty of a few, but a responsibility shared by all citizens and stressed that such campaigns are not only symbolic but also serve as a reminder to inculcate cleanliness as a lifelong habit.

The initiative not only improved the school environment but also inspired the students to adopt cleanliness as a way of life, thereby aligning with the vision of Swachh Bharat Diwas as a tribute to the Father of the Nation.

Class-9 Inter Class Declamation Competition

Eloquent
Speeches by
Participants

Jubilee Hills Public School, Hyderabad organized an engaging and thought-provoking Class-9 Inter-Class Declamation Competition on 10th October, 2025, showcasing the eloquence and critical thinking skills of the students. The event was graced by Director, Ms.M.Varalakshmi and the Principal, Ms.P.Kanchanavalli, who addressed the gathering, highlighting the importance of debates in shaping young minds and fostering leadership qualities.

The competition witnessed spirited participation from all sections with Ms.Saanvi Khandelia of class 9C securing the first place, Ms.Reddy Dhanvi of Class 9C and Ms. P.Leshana of Class 9E securing the second and third places respectively. The event concluded on a high note applauding the participants for their eloquence and confidence and inspired the students to continue honing their public speaking skills and intellectual exchange among students.

CYBERSECURITY AND SAFETY WORKSHOP

Jubilee Hills Public School, Hyderabad organized a three-day cybersecurity workshop for students of classes 7, 8, and 9 in collaboration with KPMG on October 14, 15 and 16, 2025. The workshop aimed to educate students about the importance of cybersecurity and equip them with the necessary skills to navigate the digital world safely.

Industry experts from KPMG delivered interactive sessions, providing insights into various aspects of cybersecurity, including threat landscape, risk management, and best practices. Students engaged themselves by understanding cybersecurity concepts better and developed practical skills followed by asking pertinent questions. The workshop covered essential cyber safety tips, including how to identify phishing attacks, manage passwords, and protect personal data online.

The interactive nature of the workshop helped students grasp

complex cybersecurity concepts and appreciate the significance of staying safe online. Such workshops empowered students with the knowledge and skills necessary to thrive in a rapidly evolving digital landscape.

This workshop is part of the school's efforts to integrate cybersecurity education into its curriculum, recognizing the growing importance of digital safety and security in today's world.

Awareness on Cyber Safety & Security Conducted by KPMG

Interaction with India's First Astronaut to Visit the ISS – Shubhanshu Shukla

Students of Jubilee Hills Public School, Hyderabad recently had an enriching and inspiring educational visit to the Indian Space Research Organisation – National Remote Sensing Centre (ISRO–NRSC), Hyderabad on 15/10/25. This visit was part of the ongoing Space Lab initiative aimed at exposing students to real-world space science and satellite technology.

The highlight of the visit was the rare and memorable opportunity for students to interact with Mr. Shubhanshu Shukla, the first Indian astronaut to visit the International Space Station (ISS). His presence created an atmosphere of excitement and pride among the students, who were eager to hear about his journey,

training, and experiences in space.

During the interaction, Mr. Shukla shared insights into the challenges of astronaut training, life aboard the International Space Station, scientific experiments conducted in microgravity, and India's growing role in global space missions.

He encouraged the students to stay curious, ask questions, and continue exploring the world of science and technology with dedication. The students asked thoughtful questions about space travel, rocket launches, satellite operations, and astronaut life, and Mr. Shukla answered them with enthusiasm and clarity.

The NCC (National Cadet Corps) and students of Grades 8 and 9 of Jubilee Hills Public School, Hyderabad showcased immense enthusiasm and patriotism as they organized the "Run for Unity" on 31st October, 2025 in the school premises. This event was part of the nationwide celebration of National Unity Day, commemorating the birth anniversary of Sardar Vallabhbhai Patel, the architect of a

united India.

The "Run for Unity" began with the Principal flagging off the students run. The students exhibited unwavering dedication, holding banners and chanting slogans that celebrated national unity and harmony. This run not only displayed the physical endurance of the students but also their deep respect for the values that bind our

nation together.

The event concluded with the students taking the Rashtriya Ekta Diwas pledge and a collective salute to the national flag, symbolizing the spirit of oneness that this "Run for Unity" aimed to promote. It also served as a reminder of the strength in unity and the importance of working together to build a harmonious nation.

Book And Art Exhibition & Space Exploration

Jubilee Hills Public School, Hyderabad, organized interdisciplinary exhibition showcasing Art, Book and Space exploration as part of innovative learning on 11 and 12 October, 2025. The event highlighted the school's commitment to provide a well- rounded education that fosters creativity, curiosity and intellectual growth.

The art segment featured an array of creative works by students, including paintings and sculptures that demonstrated the students' artistic talents and their abilities. The book exhibition was a literary haven, with a vast collection of books on various subjects where the students and visitors had the opportunity to explore new authors fostering a love for reading and learning.

The Space laboratory was a highlight featuring interactive displays and models that simulated space exploration. School's library was another impressive feature of the exhibition, conducive to learning, with comfortable seating areas.

This exhibition was a testament to school's dedication to provide a holistic education that encompasses Art, Literature, Science and Technology.

Diwali Celebrations

In a spirit of joy, unity and cultural pride, Jubilee Hills Public School, Hyderabad celebrated Diwali in the school premises, bringing together staff and students for a day filled with festivities. The event highlighted the essence of Diwali — the triumph of light over darkness and good over evil — while encouraging students to uphold traditional values with an environmentally conscious mindset.

The celebrations began with a special assembly featuring

dance and musical performances that highlighted the joy and unity which Diwali brings to communities. The skit showcasing Lord Rama's triumphant return to Ayodhya symbolized the values of righteousness, compassion, unity that Lord Rama's story embodies. The energy and enthusiasm in each performance were contagious, filling the air with cheer and a shared sense of togetherness.

In line with promoting environmental responsibility, Principal, Ms.P. Kanchana Valli urged the students to celebrate Diwali responsibly by opting for eco-friendly firecrackers and prioritizing the environment in their celebrations.

It was a beautiful blend of tradition, creativity and responsibility, creating lasting memories for everyone involved.

Rainbow Colours Day

Colourful Palms

Fun and Frolic with Rainbow

Fun with Colours

Jubilee Hills Public School celebrated Rainbow Colours Day on 16th October, 2025 with tremendous excitement and enthusiasm for classes Nursery, LKG and UKG.

The objective of conducting these activities was to familiarize the students with different colours.

Classes Nursery, LKG and UKG participated in various activities such as rainbow colour hand printing, colouring and rainbow art. Students also engaged in an outdoor activity - Rainbow Parachute play.

These activities facilitated their exploration of colours, enhanced fine motor skills and allowed them to express their creativity through hands-on experience.

Students enjoyed dressing up in their favourite colour and enjoyed the beauty of a rainbow.

Dussehra Celebrations

Jubilee Hills Public School, Hyderabad resonated with festive cheer as students and staff came together to celebrate Dussehra with cultural fervour and devotion. The programme witnessed enthusiastic participation from students through a variety of cultural events and traditional performances.

The celebration began with a special assembly highlighting the significance of Dussehra. Students presented speeches, skits, and dances depicting the victory of good over evil, the essence of the festival. Vibrant cultural programmes included devotional songs, folk dances, and recitations that brought alive the spirit of the festival.

Speaking on this occasion, Ms.P.Kanchana Valli, the Principal congratulated the participants for their energetic performances and emphasized the deeper meaning of Dussehra. In her words, “Dussehra reminds us that goodness, truth, and righteousness always triumph in the end. As students, you must imbibe these values in your lives, stand firm against negativity, and contribute positively to society.” Her inspiring message left a deep impression on the audience.

The celebration not only showcased the cultural heritage of India but also reinforced moral values among the young learners.

Field Trip To **Nehru Zoological Park** Nursery, Lkg & Ukg

Jubilee Hills Public School has arranged an educational field trip for the Nursery, LKG and UKG classes to the Nehru Zoological Park on 14th October, 2025.

As the zoo serves as a habitat for birds, animals, and reptiles that are not typically found in our immediate environment, the students departed from the school with great enthusiasm to discover the various zoo animals.

The trip to the zoo proved to be an enriching experience for the students. During their visit, they observed a diverse array of animals and birds. The students gained insights into the habitats of various animals. They observed the colours, size and food habits of the animals. Additionally, the students discovered that zoo offer safe habitats, medical care and a nurturing environment for the animals.

The school aims to provide a nurturing environment for the students to enhance their critical thinking skills and creativity, whether it is indoor or outdoor. The students thoroughly enjoyed the field trip and look forward to many more lively learning experiences.

Fun at the Zoo

Field Trip to Daisy Dale Farm – Class I

Jubilee Hills Public School organized an educational outing to Daisy Dale Farm on 13th October 2025 for Class 1 students. The trip offered children a hands-on learning experience, allowing them to explore and discover beyond the classroom.

The curious young learners were fascinated by the sights and sounds

of the farm. Their day began with an adventure among the farm animals, where they asked questions, observed closely, and learned interesting facts with the teacher's guidance. Feeding the animals was a highlight, bringing them joy, a feeling of compassion and understanding for living creatures.

Experiential learning at the farm

made lessons come alive, sparking curiosity and excitement in the students. They also enjoyed boat ride, train ride and spent time to play Ninja games designed especially for younger students. The day concluded with laughter, excitement, and memorable experiences that combined learning with pure enjoyment.

Fun at Daisy Dale Farm

Field Trip to Sudha Car Museum – Class 2

To make learning more meaningful and experiential, Jubilee Hills Public School organized a field trip for Class 2 students to the Sudha Car Museum on 13th October 2025. The visit was both educational and enjoyable, giving the children a chance to connect classroom learning with real-life experiences.

The Sudha Car Museum features a fascinating collection of “Crazy Cars”, vehicles creatively shaped like everyday objects such as Ram Mandir, laddu, handbags, cameras, shoes etc. These unique models were designed and handcrafted by Sri Kanyaboyina Sudhakar Yadav, who turned his childhood hobby into a remarkable innovation hub.

Students were excited to explore the exhibits and watch videos showing how the cars are tested on Hyderabad’s roads. The trip inspired them to think creatively and understand the importance of recycling and conserving natural resources for a sustainable development.

Different types of Innovative Cars

Field Trip to Do Science Museum – Class 3

Field trips provide students with practical experiences that make learning more meaningful and memorable. Jubilee Hills Public School organized an educational trip for Class 3 students to the Do Science Museum on 13th October 2025, which turned out to be both fun-filled and informative.

The museum featured nearly 30

interactive exhibits explaining various scientific principles through models, pictures, and graphics. Students explored concepts such as gravity, pulleys, levers, echo tubes, periscopes, Newton's cradle, and optical illusions, making learning engaging and enjoyable.

In addition to the science displays, children also enjoyed a life-sized

chess board and balancing games. The visit to the Butterfly Garden and Maze Garden added to their excitement, where they learned about herbal plants and their uses.

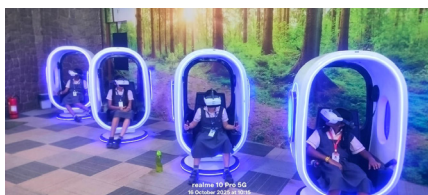

The trip rekindled the students' curiosity and enthusiasm for science, offering a perfect blend of learning and fun.

Do and Learn at Science Museum

Jubilee Hills Public School, Hyderabad, organized a Virtual Wildlife Safari for Classes 4 and 5 on 15 and 16 October, 2025. Students had a unique opportunity to experience the thrill of a jungle adventure through technology.

The session began with an informative introduction by wild life specialists who guided about Virtual Reality Safari. In 9D visuals students were spellbound to see stunning ocean view with beautiful underwater creatures. In 360 degree indoor cinema theater through Virtual Reality Experience View students enjoyed watching beauty

of open grasslands, explored dense forests by watching tigers prowling, elephants, deer's grazing and vibrant flocks of colourful birds in their natural habitats.

The Virtual Wildlife Safari turned out to be an enlightening journey that beautifully blended adventure, education, awareness, leaving students inspired to protect the planet's rich biodiversity.

Classes 4 & 5 Field Trip to Virtual Wildlife Safari Exploring the Wonders of Nature.

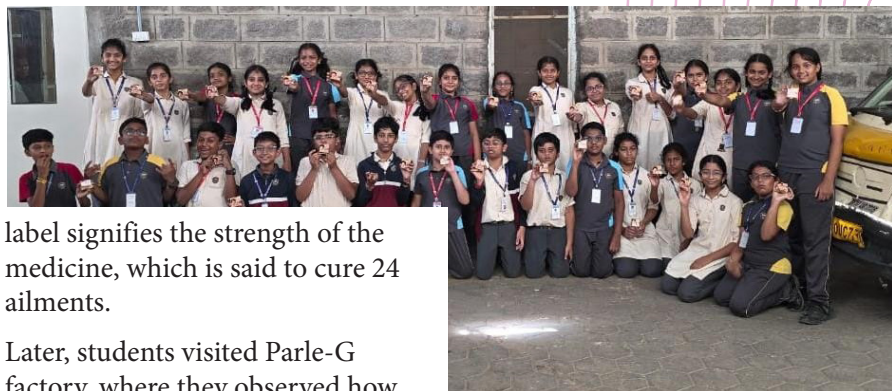

The World of Virtual Reality

Class – 6 Field Trip to Karkhana Zinda Tilismath & Parle G

Jubilee Hills Public School, Hyderabad recently organized an enriching educational field trip for Class 6 students to Zinda Tilismath and Parle-G Factory, Hyderabad on 22nd October, 2025. The visit aimed to provide students with practical exposure to the process of manufacturing, packaging, and branding of well-known Indian products.

During the visit to Zinda Tilismath, students learned about the complete process of preparing the medicine and were given product samples. Zinda Tilismath has a legacy of 105 years, dating back to the reign of the Nizam of Hyderabad, who granted permission to use his crown as the logo- a symbol that continues to appear on the product today. The image of an African man on the

label signifies the strength of the medicine, which is said to cure 24 ailments.

Later, students visited Parle-G factory, where they observed how biscuits and other food products are processed, baked and packed. An informative video presentation showcased the wide range of Parle products and their quality standards.

The field trip was both educational and engaging, broadening students' knowledge and appreciation on India's industrial heritage and innovation.

Industrial Trip to Parle G & Zinda Tilismath

Class 7 Field Trip to Rashtrapati Nilayam

The students of Class VII from Jubilee Hills Public School, Hyderabad went on an enriching field trip to Rashtrapati Nilayam, Bolarum on 17th October 2025. The visit aimed to provide students with experiential learning about India's heritage, governance and architecture. The students were fascinated by the grandeur of the historic Presidential retreat and explored its beautifully maintained gardens, museum and various halls showcasing India's rich culture and legacy. The teachers guided them throughout the visit, explaining the historical significance and importance of preserving national monuments. The trip offered a perfect blend of

learning and recreation, leaving students inspired and informed. The visit concluded with students expressing their gratitude for the wonderful opportunity and returning with cherished memories and a deeper appreciation for India's heritage.

Trip to Rashtrapati Nilayam

Classes 8 & 9 Field Trip to Department Of Horticulture

The students of classes 8 & 9 embarked on a fascinating field trip to Department of Horticulture, centre of excellence for vegetables and flowers in Jeedimetla, Hyderabad on October 23rd, 2025. The trip aimed to provide hands-on experience and practical knowledge about horticulture and its significance.

The students gained insights into plant care techniques, that included Protected farming, Soil-less

cultivation, Importance of cocopeat, Hi-tech nurseries, Polyhouses, Vertical farming and Automated Seed Sowing Machine. A deeper understanding of the importance of plants and green spaces in our ecosystem. The field trip to the horticulture centre was an enriching experience for the students that not only enhanced their knowledge but also instilled a sense of responsibility towards the environment. Such trips play a vital role in making learning fun and interactive.

Trip to Department Of Horticulture and Floriculture

Class -10: Visit to ICRISAT-Learning Beyond Classrooms

On October 23rd, 2025, the class 10 students of Jubilee Hills Public School, Hyderabad, embarked on an enriching educational field trip to ICRISAT (International Crops Research Institute for the Semi-Arid Tropics), at Patancheru, Hyderabad. The visit aimed to help students gain practical knowledge about sustainable agriculture, crop research, and environmental conservation.

The students were accompanied by their class teachers who guided them throughout the trip. On arrival, they were warmly welcomed by the ICRISAT staff, who gave an informative presentation about the institute's mission to improve food security and promote climate-resilient farming methods across developing countries.

Students got an opportunity to visit the experimental farms, observing

how scientists work to improve crop yield and develop drought-resistant plants. They also explored the various biodiverse areas in their premises including the

Visit to ICRISAT

artificial lakes maintained to create an ecological balance.

One of the highlights of the trip was the interactive session with scientists, where students asked insightful questions about soil health, organic farming, and water conservation techniques. The hands-on learning experience left everyone inspired to think more deeply about sustainable development and the importance of scientific research in tackling global challenges in agriculture.

The field trip to ICRISAT was not just educational but also deeply motivating. It gave students a glimpse of how agricultural science and research can make a difference in the real world. The day ended with a group photograph, marking a memorable learning experience beyond the classroom walls.

CLASSES 11 & 12 FIELD TRIP to FDDI

Jubilee Hills Public School, Hyderabad organized an educational field trip for Classes 11 and 12 students to Footwear Designing and development Institute to provide them with practical exposure to the world of fashion and product design. The students observed various

stages of footwear creation — from concept sketching and material selection to pattern making and final production. Experts from the institute demonstrated innovative design techniques, use of sustainable materials and the importance of ergonomics in footwear design. The visit offered valuable insights into

career opportunities in the design industry and enhanced students' creative understanding. The trip concluded with an interactive session, leaving students inspired and appreciative of the blend of art, technology, and functionality in footwear designing.

The Participants: Varshika Marlabeeti, Ch Jaitashri, Marapatla Johanna Schwitzer, Panthula Sanskriti Reddy, Ishita Sahu, G. Mahanya, Thirupathi Poorvi Rao, P.Samiksha, Talari Mishika, and Siddanthi Akshitha made the school proud with their achievement

Jubilee Hills Public School's October 2025

External Achievements

The students of Jubilee Hills Public School have made an ineradicable mark, showcasing their amazing talents in quiz, drawing and art competitions organised at various schools. Their determined pursuit of fineness has brought forth inspiring results in various competitions, setting a high benchmark.

The students participated in Bharat Ko Jano Quiz Competition conducted by Bharat Vikas Parishad, at Saraswathi Vidya Mandhir, on 12th October, 2025. Ananya Achanta(8H) and Myra Majumdar(8G) bagged the First Place and received a Memento and certificate each. Shantanu Reddy Seelam(9G) and V. Dedeep Reddy(9G) bagged the Second Place and received a Memento and certificate each.

In the 6th Telanagana State Level Drawing Competition, held at Jubilee Hills Public School, on 12th October, 2025 Arjun Nanda Kuchupudi(2A) K. Ved Reddy(2E) Sreshta Vajjala(2G) Pramita Chandana (3B) Vihaan Reddy Gajjala(3G) Goli Vishnu Priya Kumari(3G) Adhya Kopparapu(4D) Yaganti Divyank Sai(4A) Sriman Kanva Ammaneni(4B) Anish Reddy Mudupu(6B) Maryam Ashreem Bokhari(5D) Sriman Vashishit Ammaneni(6B) Svojas Vadnala(5H) secured First place and are qualified for District level, received a gold medal and a certificate each.

Graceful Achievement in Kathak Dance

Jubilee Hills Public School, Hyderabad congratulates Sudithi Agarwal of Class 5C for her remarkable achievement in the All India Dance Competition, 2025. She secured First Prize in both Solo Kathak and Folk Dance performances in the Junior category.

The prestigious competition was organized by the All India Dance Organisation (AIDO) held at Ramagovinda Rangamandira, Mysuru, Karnataka.

The school applauds her exceptional talent, dedication and graceful performance and wishes her continued success and glory in all her future endeavours.

Heartiest felicitations to our students on their motivating triumphs! These accomplishments are a testimony to the school's commitment to cherishing academic excellence, creativeness and talent.

Saanvi Khandelia's Initiative in Promoting Life-Saving Skills

Jubilee Hills Public School takes immense pride in the commendable achievement of Saanvi Khandelia of Class IX-C, who showcased her sense of responsibility and compassion by assisting her father in a training session on Basic Life Support (BLS) and Cardiopulmonary Resuscitation (CPR). The session was conducted on 24th October, 2025, at Bharatiya Vidya Bhavan's Sri Ramakrishna Vidyalaya, Sainikpuri, for students of Classes X, XI, and XII. Saanvi, who is herself a BLS-trained and certified student, actively participated in demonstrating essential life-saving techniques, emphasizing the importance of immediate response during medical emergencies.

Her confident participation and willingness to spread awareness about vital health practices reflect her dedication and maturity beyond her years. This initiative not only inspired students of another institution but also highlighted the values of empathy and community service nurtured at Jubilee Hills Public School. The school management congratulated Saanvi on her thoughtful contribution and wished her continued success in using her knowledge and skills for the betterment of society.
