Annual Dinner

CAMBRIDGE MEET AND GREET

Meeet and Greet Event at JHPS-Global Learning, Hyderabad JHPS-Global Learning, Hyderabad, successfully hosted a vibrant and informative Meet and Greet Session for parents and their wards on 20th June 2026 at the Vishwam Block Auditorium in the school campus. The session commenced at 10:00 a.m. and concluded at 12:00 noon, bringing together school leaders, dignitaries, faculty members, and parents.

The session provided parents with valuable insights into the school's vision, values, and learner-cantered educational philosophy. A major highlight of the session was the presentation on the Cambridge Curriculum, assessment practices, and the learning experiences offered through the Early Years Programme (EYP) and Primary Years Programme (PYP). Parents were introduced to the

Cambridge teaching team and had the opportunity to interact with educators who will guide their children throughout their academic journey.

The presence of school leaders and dignitaries further emphasized the importance of fostering strong partnerships between home and school. The event also featured an engaging Question and Answer session, where parents sought clarification on various aspects of curriculum, assessments, and student development. Following the session, the parents were given a guided tour of the campus including the thoughtfully decorated classrooms. The Meet

and Greet session concluded on a positive note, with parents appreciating the school's vision, infrastructure, and commitment to holistic education, marking the beginning of an exciting journey with the JHPS-Global Learning family.

TIMES NIE WORKSHOP ON 'AI & DIGITAL TOOLS FOR SMARTER CLASSROOMS'

The teaching faculty of Jubilee Hills Public School, Hyderabad, participated in a virtual professional development workshop on "AI & Digital Tools for Smarter Classrooms", organised by Times of India-NIE.

The session was facilitated by Ms. Tanmaya Kshirsagar, who provided educators with valuable insights into the transformative role of Artificial Intelligence in

enhancing contemporary teaching and learning. The workshop also focused on ethical AI practices, effective prompt writing, privacy, and responsible technology use in education.

It was an insightful learning experience that empowered teachers to integrate AI thoughtfully and creatively into their classrooms, making teaching more engaging and effective.

It reaffirmed Jubilee Hills Public School, Hyderabad's commitment to continuous professional learning, educational innovation, and the meaningful integration of emerging technologies to create inclusive, learner-centred classrooms that prepare students for the opportunities and challenges of an evolving global landscape.

GET TOGETHER AND ANNUAL DINNER

Team work is important in nurturing a happy working environment'. Aligning with this motto Jubilee Hills Public School organized a get together and an Annual Dinner for the staff and their families of both its schools at the Anthm Restaurant, Nanakramguda on 30th April, 2026.

The event was graced by the committee members of Jubilee Hills Education Society and their families. The staff members of JHPS, Hyderabad with newly inducted Cambridge International faculty and Rampally branches, along with their families attended the gathering reflecting the school's growing family and its commitment to **'One School, One Spirit'**.

The gathering aimed at boosting the morale and fostering positive work environment and to establish harmonious relationship among the staff. The ambience provided a relaxed setting for all the staff members to connect and build relationships beyond work related discussions. The colourful cultural

programme set the mood for a fun filled evening. The programme included various foot tapping energetic dance performances and team building activities. The evening concluded with a lavish dinner enjoyed by the staff. The get together was organized to recognize the hard work and effort of the school staff all through the year. It gave them an opportunity to relax and rejuvenate themselves. The gathering gave all the staff and their families a sense of belongingness to the school.

Addressing the gathering, **President, Sri. A. Murali Mukund** stated that the evening was free of formalities and intended for staff to relax and enjoy dinner with their families. The evening was a memorable one which displayed camaraderie, jubilation and celebration. The Annual Dinner reinforced what JHPS stands for that a happy working environment grows when teams across locations, curricula, and roles, dine, laugh and celebrate together.

IPN SESSION ON DIGITAL PEDAGOGY

The IPN Session on Digital Pedagogy was conducted at Jubilee Hills Public School, Hyderabad on June 6, 2026. The session was led by **Ms. Mitra Som Saha**, a research scholar, an expert in educational technology and innovative teaching practices, honoured as **India's most impactful school leader 2024** by the **Indian Principals' Network**. The main objective was to equip educators with practical strategies to integrate digital tools effectively into teaching-learning processes.

The session commenced on an interactive note with a thought-provoking activity that encouraged participants to reflect on the evolving role of technology in education. Ms. Saha explained the shift from traditional to digital classrooms and the importance of learner-centric, tech-enabled teaching. Few interactive tech tools like Plicker card, Jigsaw puzzle,

Content Creation, AI in lesson planning, Instructional Design, Innovative Pedagogy and future ready school leadership were also shared to enhance engagement and assessment.

Ms. Mitra demonstrated Plan-Purpose-Proof framework to make sure that digital tools are used with pedagogy. Teachers participated in hands-on activities using digital pedagogy principles in different case study scenarios. During the session, she emphasized that effective lesson design in the digital age should prioritize interactivity, inclusive, and real-world connections to make learning meaningful and engaging for all students. She highlighted the importance of continuous upskilling for educators to keep pace with rapidly evolving educational technologies and emerging pedagogical trends. Stressing the responsible use of technology, she noted that student wellbeing and digital

discipline must remain at the heart of technology integration.

By providing this professional development opportunity, the management renewed its commitment to academic excellence. The teaching staff expressed their appreciation for the chance to expand their digital pedagogy and bring fresh perspectives into the classroom.
